PROFILE

Social media strategist with **6+ years of agency-level experience** building content systems that turn service businesses into recognizable, revenue-generating brands online. Spent six years leading social media strategy for an entire advertising agency client roster — roofing, landscaping, real estate, travel, and more — across every major platform. Known for building done-for-you systems that take social media completely off the business owner's plate while driving consistent, compounding growth.

SKILLS

Social Strategist Nyah · Remote

- Founded and operate a boutique social media management agency serving service-based businesses across roofing, landscaping, travel, dental, real estate, and more.
- Manage end-to-end content creation for active clients — strategy, scripting, video editing, graphic design, posting, comment and DM management.
- Generated \$200,000+ in organic sales for a single roofing client within one year through consistent social media content strategy.
- Accumulated 4.5M+ total views across client accounts with no paid advertising on the content side.
- Delivered weekly performance reports, monthly strategy calls, and ongoing platform research to maximize results for each client.
- Offer three service tiers: Strategy (\$1,000/mo), Presence (\$1,500/mo), and Growth (\$2,500/mo).

Head of Social Media Strategy 2019 — 2024

Premier Advertising Agency (NDA) · Remote

- Led social media strategy for the agency's entire client portfolio spanning roofing, landscaping, real estate, home services, travel, and professional services.
- Managed content planning, scripting, production direction, and performance tracking across TikTok, Instagram, Facebook, and LinkedIn.
- Studied platform algorithms across all major channels to drive consistent, compounding organic growth for clients in competitive local markets.
- Developed scalable content systems that reduced client time investment to 1–2 filming days per month while maintaining a high output of quality content.
- Collaborated directly with agency ownership and client stakeholders on brand voice, visual identity, and campaign direction.
