PROFILE

I don't guess with social media. I study it. Social media strategist with **8+ years of experience** at a full-service advertising agency, growing from assistant to Head of Social Media and managing strategy across an entire client roster. Deep expertise in platform algorithms, content systems, KPI tracking, and managing multiple brand voices across TikTok, Instagram, Facebook, and LinkedIn — simultaneously, under real deadlines.

EXPERIENCE

Social Media Strategist & Contractor Jan 2024 — Present
The Alpha Agency LLC · Contract · Fredericksburg, VA

- Continue supporting The Alpha Agency's client accounts on a contract basis following transition from full-time Head of Social role.
- Manage multi-platform content strategy, production, and performance reporting for active client roster across service-based industries.
- Generated \$200,000+ in organic sales for a roofing client within one year through targeted content strategy.
- Grew client accounts to 4.5M+ total views and 32K+ new followers with zero paid content spend.

Head of Social Media Jan 2020 — Jan 2024
The Alpha Agency LLC · Full-time · Fredericksburg, VA

- Led all social media operations for The Alpha Agency and its full client roster across roofing, landscaping, real estate, travel, and more.
- Built and executed content strategies for multiple clients simultaneously — scripting, production direction, editing, posting, and community management.
- Tracked KPIs, delivered weekly performance reports, and conducted ongoing platform algorithm research to optimize results.
- Managed multiple brand voices at once, adapting strategy and tone to fit each client's industry and audience.
- Developed scalable content systems that reduced client involvement to 1–2 filming days per month.
