PROFILE

Social media strategist with **6+ years of agency-level experience** building content systems that turn service businesses into recognizable, revenue-generating brands. Spent six years leading strategy for an entire advertising agency client roster — roofing, landscaping, real estate, travel, and more — across every major platform. Now running my own agency delivering fully done-for-you social media management with real, measurable results.

EXPERIENCE

Founder & Social Media Strategist 2024 — Present
Social Strategist Nyah · Remote

- Founded boutique social media management agency serving service-based businesses across roofing, landscaping, travel, dental, real estate, and more.
- Manage end-to-end content — strategy, scripting, video editing, graphic design, posting, comment and DM management.
- Generated \$200,000+ in organic sales for a roofing client within one year through content strategy alone.
- Accumulated 4.5M+ total views and 32K+ followers gained across active client accounts.
- Deliver weekly performance reports, monthly strategy calls, and ongoing platform research for each client.

INDUSTRIES

Premier Advertising Agency (NDA) · Remote

- Led social media strategy for the agency's full client portfolio — roofing, landscaping, real estate, home services, travel, and professional services.
- Managed content planning, scripting, production direction, and performance tracking across TikTok, Instagram, Facebook, and LinkedIn.
- Studied platform algorithms across all major channels to drive consistent, compounding organic growth in competitive local markets.
- Built scalable content systems that reduced client filming time to 1–2 days per month with no drop in content quality or volume.
- Worked directly with agency ownership and client stakeholders on brand voice, visual identity, and campaign direction.

Live Chat Specialist

2019 — Present

Flite Center · Remote

- Maintained 98% customer satisfaction rate through responsive, solution-focused live chat support.
- Reduced customer complaints 20% year-over-year through proactive issue resolution and CRM tracking.
