EXPERIENCE

SKILLS

Premier Advertising Agency (NDA) · Remote

- Led social media strategy for an entire agency client roster spanning roofing, landscaping, real estate, travel, and more.
- Managed content creation, scheduling, and performance tracking across all major platforms — TikTok, Instagram, Facebook, LinkedIn.
- Studied platform algorithms to drive consistent, compounding growth — generating over 4.5M total views and \$200K+ in organic sales for clients.
- Developed content systems and scripts that reduced client time investment to 1–2 filming days per month.
- Delivered weekly performance reports and monthly strategy calls to keep client goals on track.

Live Chat Specialist 05/2019 — Present

Flite Center · Remote

- Maintained a 98% customer satisfaction rate through timely, accurate support via live chat.
- Reduced customer complaints by 20% year-over-year through proactive issue resolution.
- Tracked customer interactions in CRM software to improve service delivery and inform strategy.
- Identified upsell and cross-sell opportunities to enhance revenue for the business.
